SECRET/SENSITIVE

August 19, 1985

Dear Bob:

Many thanks for the rapid response and extremely high quality analysis of the paper entitled Amal and Hizballah: Line Between Politics and Terrorism. When dealing with international terrorism, there is occasionally a tendency toward spot reporting with too little analysis; or alternatively toward overly-long, scholastic-style papers which are too detailed in substance and too delayed in completion to meet needs at the policy level. This paper is precisely what is needed.
